LANGUAGE & LIBRARIES

- Python & OOPs
- Pandas & Numpy
- Machine Learning Algorithms
- SQL
- Tableau & Power BI
- AWS
- APIs(Flask, Fast, Streamlit)
- Git & Github
- Docker/Kubernetes
- Web Scraping

HOBBIES

Adventure Travel
Stock Trading & Investing

WORK EXPERIENCE

Shriram Automall India Ltd– Data Scientist

2022 – Present

- Data Web Scraping from various sources.
- Data Pre-Processing & Engineering.
- Data Analysis.
- Creating & Improving Linear Machine Learning Model.
- Creating APIs for ML models on Flask/Streamlit.
- Deploying Machine Learning Models on AWS with Apache/NGINX server.

Fare portal India – Python Developer & Data Analyst

2013 – 2022

- Worked on Developing Automation Scripts using Python.
- Involved in various Data Preprocessing & Analysis activities.
- Creating & Deploying ML Model Webapps on AWS with Apache/NGINX server.
- Writing Efficient & Scalable Codes.
- Worked In Agile & waterfall model of SDLC
- Direct dealing with users for improvements & feedback.

PROJECTS

Shriram Automall India Ltd– Data Scientist

- ETL Pipeline using AWS SQL Dbs.
- Data Web Scraping.
- Data Cleaning & Analysis.
- ML APIs Deployment on AWS with Apache/NGINX.

Fare portal India – Python Developer & Data Analyst

- Flight Change/Cancellation/Skipped Change Python Automation.
- Data Web Scraping.
- Data Cleaning & Analysis.

EDUCATION

CSJM University: 2010 – 2013

BA (Economics)
